Price List

AUTUMN - 1939

This List Supersedes All Previous Lists

Do Not Use An Old List.
There are many changes in this one.
Please read pages 2 and 3 before
making out an order.

Champlain View Gardens
ELMER GOVE BURLINGTON, VT.

PLEASE READ CAREFULLY

Please do not ask us to change collections or special sets. The collections are made up as they are for definite reasons and we cannot change them. Any of these collections or specials are very good value.

Do not split quantities as listed. Where a variety is listed at 2 for 15 cents or 4 for 15 cents do not order 1 or 2 at a lower price. There is no profit in any items of less than ten cents and very little at that price. **No single item accepted for less than ten cents.**

EXTRAS ON CASH ORDERS. On cash orders of \$2.00 to \$5.00 you can select 10% extra in bulbs of your own choosing. From \$5.00 to \$25.00 select 15%; \$25.00 to \$50.00 select 20% and above \$50.00 select 25%. **These Discounts do not Apply to Collections, Special Offers or Wholesale prices or New Introductions, or those marked "No Discount."**

Discounts apply to gladiolus only and not to other articles listed.

TO MAKE OUT YOUR ORDER put everything down on the order blank, just as listed in the price list. Add it up, then figure out any special discounts or add on the extra bulbs of your choosing. It is all very simple but some people seem to have a lot of trouble in making out an order.

The above discounts and extras are all for cash orders. The earlier the orders are received and the larger they are the more generous we will be with our extras. If you cannot spare all the cash now send 25% and the balance later and we will see that you are satisfied. **But the above extras are only for cash before shipment.**

On cash orders of \$12.00 or more, except collections, I will give a copy of the "Gladiolus Book" by Rockwell if you ask for it and if you have not already had one.

Packages of bulblets run from twenty-five to fifty or more. We give very good value.

You can have 3 or more bulbs at the 10 rate; 25 at the 100 rate. But no single items for less than 10 cents.

Please do not send us orders of under \$1.00 as we lose money on them. I do usually fill such orders from regular customers as an accommodation but they cost us more than we get for them. On orders of under \$1. please enclose 10 cents for postage.

I GUARANTEE SATISFACTION, and I mean just that. If at any time, either after receiving the bulbs or after blooming, you have cause for complaint just write me about it and I will do my utmost to make things right. This is the only basis on which anyone can hope to conduct a business that will be permanently successful.

At these prices all bulbs, except the wholesale offers, are prepaid anywhere in the United States and Canada and all countries in the Postal Union.

SPECIAL QUOTATIONS. Do not ask for special quotations unless you have a large order. We will not consider quoting any special prices on small orders. I publish this price list to give people the prices and do not consider it honest to give one person a lower price than another.

REMEMBER in buying bulbs price is not everything. In fact sometimes the price is a minor item. Consider the quality, count, the reliability of the grower, etc. I always mean to put in enough extra count or over size to make up for any lower price that other good reliable growers might make. **Just leave it to me.**

IF YOU WANT TO PAY TRANSPORTATION and get extra count on your order just mention it and I will send your order collect for postage or express and will see that you are more than satisfied. Just mention whether you want extra count on your order or extras in other kinds and what kinds. If you want bulbs sent by mail it is better to let us send them **C.O.D. for the postage**, then we know the postage is correct and I will give you more than enough bulbs to make it up. People who send stamps or cash for the postage seldom send enough.

On wholesale orders do not ask us to prepay the carrying charges and take out enough bulbs to offset the express or parcel-post. This disrupts the whole office routine and makes us a lot of extra work. On wholesale orders which are not prepaid let us send them C.O.D. for the postage or express collect.

ON FAIR SIZED ORDERS, EXPRESS is safest and best especially in the winter time; I advise express if you are situated so as to get free delivery by the express company.

EXTRAS. It is the practice of most growers to give extras on orders. I always put in some myself. So it would help me if you will mention whether you want extras of the same varieties that you order or in other kinds. And if you have a preference it will help me still more if you can name the varieties in which you want your extras and if you want large, medium or small bulbs or bulblets. Just give us a list of varieties from which to select your extras. We will put in what we think the order rates.

PLEASE give me a list from which to select your extras. Extras are given for orders from the retail list—not from the wholesale tho I usually put in something new to try anyway.

Premium Bulbs Free

MAGNOLIA. PALMER SEEDLING No. 34045. Large beautiful clear light creamy rose with creamy throat, a beautiful clear smooth color. Edges of blooms roll back. Up to eight well placed blooms open at a time. A very beautiful variety that Mr. Palmer wanted to introduce at \$5.00 a bulb but I prevailed upon him to let me use it as a premium bulb. **A bulb of MAGNOLIA given FREE with a cash order for \$15.00 worth of bulbs.**

LOMBARDY. PALMER SEEDLING No. 33153. Large bright tho soft rose salmon opening up to 10 beautiful blooms at a time. One that has attracted a lot of attention in my garden and that I am very sure you will be immensely pleased with. Both this variety and **Magnolia** received Awards of Merit at the Canadian Show.

With a \$30.00 cash order for bulbs, one each of these bulbs will be given FREE. We will give out large bulbs as long as they last. After that we will have to use medium and smaller. The early orders will get the larger bulbs.

WHEN CORRESPONDING ABOUT A PREVIOUS ORDER, PLEASE GIVE ORDER NUMBER. IT SAVES US A LOT OF TIME.

F.O.B. ITEMS. When an order contains both F.O.B. items and retail items unless you give instructions to the contrary we ship them all together in one package F.O.B. but put in extra count and enough extras to more than offset the carrying charges on the retail items. If the order is large and you want the two different classes shipped separate we can do that if you ask us to but many orders contain both retail and wholesale items and it is usually simpler to send them all together.

CERTAIN VARIETIES because of their being new introductions of this year or because I am simply listing them for another grower or for some other reason I have marked "no discount." We do not give any discount whatever on introductions of the current year and there are no discounts on Golden Goddess, a patented variety, and a few others. These are marked in the price list.

CANADIAN CUSTOMERS have to send to the Destructive Insect & Pest Act Advisory Board at Ottawa for permit to import bulbs.

AT THIS TIME most foreign money is discounted in this country so foreign customers in remitting for bulbs will please send a bank draft on a New York Bank in United States dollars.

For Christmas

Nothing will please your gardening friends better than a package of gladiolus bulbs. If they are not real glad fans probably an unlabeled collection would be satisfactory. But if they know their glads some of the newer varieties would be best. If you don't know what to order for a present just give us the circumstances, and tell us whether you want quantity or quality or both and we can select the bulbs for you.

To a real glad fan nothing is so acceptable as some of the new kinds that he has never had.

You can send us your card and check or money order for whatever you wish to pay and we will send the package in a Christmas wrapping, enclosing your card with a "Do Not Open 'Till Christmas" sticker.

Let us have the order in plenty of time as mails are always congested just before Christmas.

"I want to thank you for the two CAMELLIA bulbs you gave as prize at the Sioux City Glad Show last year. One of these spikes won a first at the Sioux City Show this year, the other is in bloom now. The first staret measured 5 inches with eight open, 18 buds on good long straight stem. The color and substance very good. I think this very good as it bloomed in hot dry weather."

"After three long years I have finally found what I have been looking for—seedling 30116 and 32207, ALGONQUIN and JASMINE. I have watched for them faithfully ever since I saw them at Akron, Ohio. Although Jasmine is not quite as deep a yellow as we are looking for in the gladiolus it is very fine. The ruffled edges will no doubt offset what it lacks in depth of color. As to ALGONQUIN the color is just about what anyone would desire in red. Both of these at Akron Show were wonderful."

—HOWARD UHRIG, Ohio.

"You sent me free two bulbs of BEACON. These are now in bloom and are the most magnificent flowers I have ever seen. I brought one into the plant here yesterday and everyone agreed they had never seen anything to equal it. Considering it was grown practically under a neighbor's pear tree and still attained a height of 5 ft. is really remarkable. This is the first year I have ever grown glads and to say I am pleased is putting it mildly."

—HERBERT DUNKERLEY, Penn.

"BEACON quality in flower. Quantity in buds. CREVE COEUR fascinating. AMRITA superlative. DEBONAIR, dropping PICARDY for this. VAGABOND PRINCE tops them all."

—H. JAVUREK, N. Y.

No. 45. 50 Cent Long Season Specials

To have blooms of a certain variety over a long period I want to especially recommend the following collections. These consist of various sizes of bulbs of each variety. There are usually two or more large bulbs, some medium and some small. If you are not in the habit of buying medium or small bulbs you will be amazed at the fine blooms you will get from these. And if there is a particular variety that you especially like you can have blooms of this variety over a much longer period than you could if you planted all one size.

I can't give you the exact number of bulbs that you will receive in each lot because the varieties vary somewhat in price and I have a much larger stock of some kinds than of others but you may be assured that you will get big value. **Leave it to me.**

Remember each 50 cent special is only one variety and not an assortment of several varieties or of all of them. Each special consists of various sizes of just one variety. Select as many as you wish. But remember they are 50 cents for each one.

Any **five** lots for **\$2.25**. Any **10** lots for **\$4.00** or any **15** for **\$5.75**. In addition to this if you buy several lots I will put in something good for you to try out.

Euphorbia Corolata (FLOWERING SPURGE)

This is a hardy perennial somewhat similar to double Baby's Breath but blossoms later. Blooms through August and September. Just the thing to go with glads or any other kind of flower. Will grow on most any kind of soil, even on dry sand, but good garden soil will make it very much better.

This is a plant that should be grown in every garden and commercial growers should plant it by the hundred. Absolutely hardy and I am sure you will like it.

In the northern states I would suggest Euphorbia be planted early in the spring. In the south or where it does not freeze hard, fall planting would be perfectly all right.

Though Euphorbia is easy to handle, and there should be no reason for it not doing well. I have had some complaints about the roots not growing. I don't know why this is because if they are planted at once and given a good watering they should all grow. I have had no trouble with them myself. But in as much as I have had some complaints I no longer guarantee the roots. I do give good strong healthy roots and if given half a chance they should grow but if they do not grow I shall not be responsible.

Prices are 4 roots for 60 cents or one dozen for \$1.25 prepaid. **We do not sell less than four as they cannot be shipped with the gladiolus bulbs. We have to make a separate shipment. Can't usually ship roots after April 15th.**

To Southern customers we can ship this fall or anytime during the winter but would advise Northern customers to plant in the Spring.

100 roots \$6.00 f.o.b. with 50 at the 100 rate.

Pure Vermont Maple Syrup

Griddlecakes or Waffles and Syrup. Um! Um!

If you have never eaten the pure unadulterated Vermont Syrup you don't know what you have missed. The black blended concoctions sold throughout the country as Maple Syrup are not to be compared with the real Vermont Syrup any more than Halley is to be compared with Picardy. Then a lot of Vermont Maple products are not of good quality. I am a connoisseur of good syrup and send out only the best grade such as I would eat myself.

Prices are F.O.B. Burlington. A gallon can be sent as far south as Virginia for 35 cents and to the West Coast for \$1.00. The Express companies make a special rate on Maple products. Parcel Post costs much more. A gallon of syrup weighs 13 lbs. packed for shipment.

1 GALLON \$2.50	½ GALLON \$1.50	1 QUART 90 cents
A case of 12 PINTS \$4.50	A case of 12 HALF-PINTS in glass \$2.50	
MAPLE SUGAR. 2 oz. cakes 60 cents a lb. 5 lb. pail soft sugar \$2.50.		

A FINE CHRISTMAS PRESENT

NAPHTHALENE FLAKES

If there is any possibility of there being thrip on your bulbs, by all means do something to get rid of them this fall. Of course you know if you had thrip on your plants this summer but sometimes there are thrip in very small quantities that you might not notice so it is always safer to take precautions and get rid of the thrip in the fall before they have any chance of doing any damage to the bulbs. If you have only small quantities of bulbs, that is up to a thousand, Naphthalene Flakes are the simplest thing to use to clean up the thrip. We sell a package of nearly **2 pounds for fifty cents**, prepaid. This is enough to treat two thousand bulbs. If you want it in larger quantities F.O.B. here can make you a special price.

"Last spring I bought 500 small bulbs of you and in spite of hot, dry weather we have had they are doing first rate. They were the small size bulbs and what blooms I have had so far are very nice. I am much pleased with them."
—H. P. SEVERSON, Wisconsin.

"The Palmer Seedlings you sent me under number are wonderfully fine. We like especially the larger WASAGA, the big red with white throat and flesh colored one. They have given us lovely blooms in spite of the dry weather. FIREFLY is fine and a vigorous grower."
—JOHN Q. REYNOLDS, N. Y.

"I have particularly liked MAYTIME this year. The flower was large and a very beautiful pink with cream throat. I doubt if the florists here have seen it but it's a beauty and seems to me would sell well."
—FRANK WARD, Illinois.

"30112 went big. DUNA, RODERICK DHU and DEBONAIR are tops around here. I find the florists are hard to sell a new kind to. They seem to be married to PICARDY although I think RAPTURE is almost as good and does not bruise as easy."
—P. H. GERBICH, Ohio.

"I want to tell you how wonderful our glads have been this Summer, that you sent me in a no name order—all are very beautiful—all straight—. Am in hopes to get another order next spring and neighbors say they are going to order some too."

"Many thanks for your fine collections, and my Euphorbia Corolata has done wonderful, very pretty."
—C. W. STEWART, Merrimac, Mass.

"I believe ALGONQUIN is the finest exhibition light red I have ever seen. Its fine color should make it a good commercial too. JASMINE is a very beautiful, refined flower that will appeal to any beauty conscious glad grower. These two varieties were outstanding among the newer ones this season."
—KENNETH M. WEALE, Reading, Mass.

"Wherever I took BILL SOWDEN they raved over it. One I thought so grand was LADY WINSOME I had one stalk five feet tall straight as an arrow 8 large blooms open and 8 more buds that opened in the house."
—MRS. REX HORTON, Missouri.

"Your seedling No. 32201 is grand. There were more Oh's and Ah's over that one from the many folks that saw them than about any other variety in my garden."
—MRS. E. A. GREEN, Penn.

"By far the outstanding flower that I saw at any show this year was a bloom of ALADDIN that Mrs. Sherwin exhibited at the Indiana State Show. In fact, I believe it was the most impressive spike of gladiolus that I have ever seen. It was positively sensational."

"REVERIE continues to be one of my real favorites and taken on the whole I can only repeat what I wrote you last fall, 'Palmer varieties are tops'."
—DONN T. CARNEY, Ohio.

"TOKEN was great and tho planted late held its own with any of them. It certainly is a great propagator and the bulbs and bulblets dug clean."

"Your seedling 30114, FIREFLY, was very good again. I don't like the name though. Would rather it be called Mephisto because our local florist says it is certainly a H— of a good glad."

"If you remember a few years ago at a meeting of the N.E.G.S. I told you that the glad under number at that time should be named. I refer to MAYTIME which to my mind has grown longer spikes each year. That glad has sold better than any other I have and pays good money. It is so early. I much prefer it to Picardy for color. It really seems that it has more vigor now than when you first released it."
—JOHN J. O'DONNELL, Mass.
